MEMORANDUM FOR: See Distribution

SUBJECT : Task Force Meeting of 14 November 1975

1. General Wilson reviewed the nine papers which had been submitted to the Director on Sensitive Issues and Allegations. Concomitant with that review, General Thomas issued papers identifying follow-up action stemming from the Director's comments on those nine papers.

2. Regarding Sensitive Issue and Allegation paper 6,

[redacted] is scheduled for submission the week of 17 November. STAT

3. General Wilson then reviewed the Action Plan (Issue and Answer) papers, noted that DDI has responsibility to provide the Director with detailed statements on the Sam Adams' issues covering Mr. Adams' allegations with corresponding comments by the DDI citing the facts regarding each allegation.

4. The Task Force agreed to drop paper XII inasmuch as the Finance task force is responding directly to the Director on it and the draft as we saw it seemed to address the issue.

5. [redacted] then circulated a paper regarding major CIA legislative objectives under paper IX. The Task Force reviewed the document and was in general agreement with it. STAT

6. General Wilson then noted that OLC and the Review Staff should pull together a paper addressing (a) what law is envisioned by the congressional select committees, (b) what legislative changes have been suggested by the Murphy and Rockefeller Commissions, and finally, (c) what did the DCI want in the way of legislation. The preparation of this paper would be in response to the requirement from the White House group.

7. [redacted] asked for comments to his papers regarding legislation for congressional oversight which he circulated at the meeting. STAT

8. Next meeting is scheduled for 1500 hours on Friday, 21 November.
